March 2019

Dear Parent/Carer

Every two years Rushcliffe school organises a ski trip.

Historically this has always been an enormous success and achieves several key objectives;

- 1 - Getting outdoors and active. Inspiring students to experience the great outdoors and get them away from their phones and consoles!
- 2 - Learning a new skill. In addition to the skiing skills they will be taught, students learning something new together can share the highs and lows...
- 3 - Experiencing a different country. Introducing students to new cultures and customs, a great opportunity for them to try out a few phrases and sample the local cuisine!
- 4 - Improving confidence. Students experience a trip away from home becoming more confident, independent and self-reliant as well as picking up new skills associated with skiing.
- 5 - Sharing success. Students will gain confidence from conquering the mountain and sharing their achievement together.

The trip is open to any pupil currently in years 7, 8 or 9 regardless of skiing ability.

I have provisionally booked 48 places through Halsbury travel for our next ski trip that will be taking place next Easter to the resort of **Sestriere in the Italian Alps.**

Dates - Saturday 4th April 2020 to Saturday 11th April 2020

Rushcliffe School provides its pupils with a wide range of residential visits that are extremely popular and often oversubscribed. In the past, trip leaders have worked on a 'first come, first served' or 'names out of a hat' basis. This has caused disappointment for pupils, especially if they have been unlucky enough to miss out on several similar trips.

We have now upgraded our evolve system which allows us to track the trips that pupils have been on. This allows us to give priority to pupils who have not been on previous oversubscribed residential visits.

If you would like your son/daughter to be considered for a place on the trip please email me at the address below stating the name and year group of your child. **This need to be done by Friday 15th March 2019.**

Students who have successfully gained a place will then be informed by the following Friday (22nd March 2019).

If successful, you will need to make an initial, **non-refundable deposit of £150 by Friday 29th March 2019 to secure your child's place.**

The final balance of £419 by Friday 17th January 2020.
