Dear Parent/Carer

I am writing to inform you about a change to the 280 Silverdale bus service that usually runs from Ruddington. The slight change to service is due to high numbers of students accessing the 281 service. Silverdale have rerouted the 280 service to absorb some of these extra passengers. A new timetable for the 280 can be seen below.

**BUS OPERATOR :** SILVERDALE (53)  
**BUS SERVICE NO. :** 280

Silverdale will be running the 281, 283 & 284 services from Ruddington as usual and free passes are available from the County Council for most students living in Ruddington. Application forms can be accessed through the County website. The cost for non-pass holders will be £1 each way for under 16's and £2 each way for 16 and over students.

To ensure that pupils arrive in plenty of time to be able to engage with form time learning, which we value as an important part of the school day all services are timetabled to arrive in plenty of time before the start of the school day. The timings

and routes are available on the website. I remind students to board the bus for which their pass is labelled to avoid overcrowding; Silverdale manage the size of vehicles based on the number of passes issued for each bus.

We work closely with the Silverdale to ensure that they provide a suitable service to our students and parents and continue to monitor this so obviously welcome your feedback at any time.

Yours sincerely
