Speakers for the evening

David Drury David is CEO of NGi (UK) Limited, a research, education and training consultancy that develops international partnerships between education and employers designed to ensure young people have the skills that employers are looking for in a global marketplace.

Katrina Farrand Katrina is based at Nottingham College and will be giving a talk about the value of apprenticeships for school leavers and how to apply for them.
She will also be available to speak to you on the Nottingham College stand in the exhibition if you have any questions.

Ros Purkis Ros is based at the University of Nottingham and will give a talk about why going to university is still a good option for many students. She will be available to speak to you on the University of Nottingham stand in the exhibition if you have any questions.

LRC staff Rushcliffe School's Learning Resource Centre staff, Lisa Goodwin-King and Rebecca Coupland can show you the resources available to get information about your future plans. They will be in room 248.

Rhonda Smith Careers Adviser at Rushcliffe School and East Leake Academy

Rhonda has a wealth of experience in advising young people about career paths. She will be in room 248 all evening for personal consultation and advice.
