Dear Parent/Carer

Year 11 Mock Exams

The Year 11 Mock Exams are scheduled for Monday 10th December to Friday 21st December. The exams are a good opportunity for students and staff to establish how students have progressed so far and what needs to be done in preparation for the summer exams.

Students do not need to attend lessons or form time during the exam period. Students who wish to be on school site for revision will need to work in the LRC. This area will be supervised and students will need to sign in and out for fire purposes.

Individual exam timetables have been provided for students and the same information is also available on Moodle. Students will be required to arrive in school uniform at least 15 minutes before the start time of the exam fully equipped and ready to begin. All mock exam results will be provided on a mock exam results day on Friday 18th January where students will experience what it will be like to receive exam results in the summer.

I'd like to take this opportunity to wish your son/daughter good luck in their upcoming exams and I hope that the experience will be a positive and fruitful one.

Yours sincerely
