

17th January 2017

Dear Parents / Carers

**Information Evening: Wednesday 7th February in B Block from 5.00pm to 7.30pm
Presentations in EATZ dining hall at 5.30pm, 6.15pm and 7.00pm.**

I would like to invite you to Rushcliffe School's Year 9 Options Information Evening. The main focus is for you to meet the teachers of the various subjects we offer in Year 10 and 11. This will help inform you in supporting your child's choices. To complement this there are several ways you can access the key information about these choices.

You can:-

- See the options booklet and form on our website (navigate to the 'Curriculum' page via the 'Information' tab) from February.
- Attend one of the three presentations on 7th February at 5.30pm, 6.15pm or 7.00pm
- Use the options booklet your child will bring home following bright day on 7th February.

These are important choices for your child and we at Rushcliffe School will support and advise students and their families accordingly. There is a timeline we would urge all involved to stick to so the process can be as smooth as possible.

- February 7th is Bright Day for pupils, focusing on careers and the options process.
- February 7th is the options information evening.
- February 27th is the deadline for pupils to hand in a completed and signed options form to their tutor.
- Summer term. Final options choices will be communicated home.

I look forward to meeting you and to working collaboratively to set up a successful programme of study for your son or daughter in Years 10 and 11.

Yours sincerely

Steve Lewis
Head Teacher
