

Extracurricular Information

Unfortunately, due to the new government guidance around extra-curricular we are forced to postpone the start of our extracurricular activities. Once we have further government updates and are advised that we can once again begin Extra-Curricular we shall envisage to do so.

Please note that additional booster and intervention classes for pupils on examination courses (including those for drama coursework) will continue as planned as they fall into the category of ‘education and training’.

Extracurricular half term 2

All Art, Music and Drama sessions run from 3.30pm to 4.15pm
