Re: Information for Parents and Carers

Dear Parent/Carer

Please find attached to this letter the 'Information for Parents and carers' booklet. This is designed to provide you with as much information as possible about life at Rushcliffe, and covers everything from uniform expectations to information about our curriculum. To support this, next week, we will be sharing with you an information video and virtual tour of the school. We hope that together they will provide you with an in depth understanding of how the school functions.

I am sure that many of you will have questions and I hope that after reading the booklet and watching the video many of them will be answered. However, if they are not then please refer to our frequently asked questions document that is also attached. Further to this, on Wednesday 14th and Thursday 15th of July we will be holding a virtual induction evening for parents and carers. Early next week you will be informed of your Childs form group and with that will be the log in details and the date and time of your meeting slot. Each presentation will last approximately 30 minutes and there will be an opportunity after to ask any questions not answered in our information.

I have also attached for you details of our uniform shops as provided by them. Some of you will be aware that the school badge and name are changing from September, but please also not that with regards to uniform this will happen gradually overtime and pupils will still be permitted to wear the current uniform for the foreseeable future.

Have a lovely weekend.

Yours faithfully

Lyndon Crawley

Assistant Principal
