1. Introduction

- 1.1. This Lettings Policy and arrangements document is to be read in conjunction with the Spencer Academies Trust Health & Safety Policy and the Rushcliffe School Health and Safety Policy and Arrangements.
- 1.2. This Policy forms part of the agreement between the School and the Hiree. The Hiree shall be bound to comply with the Hirees Responsibilities described within Section 4 of this policy.
- 1.3. It is acknowledged that where the school site and buildings are managed by third party organisations the arrangements for providing and managing Lettings may require communication between the relevant partner organisations and the school so that each is aware of the lettings arrangements.

2. Guiding principles

Rushcliffe School recognises the value to the local community and the potential financial benefits to the School to be gained by making suitable premises available for lettings by third parties.

Given that the core purpose of the School is to provide education, it is important that such lettings are undertaken in a safe and professional manner that does not compromise this core purpose. The following guiding principles will help to ensure this is so.

We reserve the right to decline any applications at our absolute discretion, in particular where the organisation does not uphold the values of the school, reputational damage may occur, or the activity does not adhere to the latest government safety advice.

The **Hirees Responsibilities and Conditions of Hire** described in **Section 4** of this policy are necessarily detailed in order to minimise the risk to the core purpose of the school.

2.1 Safety

2.1.1 Rushcliffe School takes its responsibilities under the Health and Safety at Work etc. Act 1974 seriously. Under this act, the School is responsible for the health and safety of individuals on the premises and will so far as is reasonably practicable maintain the premises in a safe condition.

2.1.2 Please refer to the Spencer Academies Trust Health & Safety Policy and the Rushcliffe School Health & Safety Policy and arrangements for further information.

2.1.3 Where a third party hires the school premises outside school hours, the responsibility for ensuring the safety of the event and activities undertaken by the third party and its guests/customers rests with the third-party provider rather than the school. This includes implementing COVID-19 protective measures in line with the latest government guidance.

2.1.4 It is the responsibility of any third-party provider, as the event and activity manager, to carry out suitable and sufficient risk assessments of their activities and events, and to put into place suitable control measures to prevent illness, accidents, injuries and near misses. This includes providing a risk assessment for COVID-19.

2.1.5 Rushcliffe School reserves the right to request copies of risk assessments created under the above section 2.1.4 in the event that the school needs to investigate an incident. This includes providing a risk assessment for COVID-19. Such a request shall be met within 5 working days.

2.1.6 The hiree and the individuals participating are responsible for adhering to the latest government guidelines on COVID-19 and social distancing at all times.

2.2 Impact upon Educational Facilities

2.2.1 The provision of high quality education to pupils is a core priority. The School management team will make every reasonable effort to make school premises and facilities available for use for the benefit of the local community. However, the hire of accommodation and facilities must not be to the detriment of the reliable provision of suitable educational facilities. Potential lettings will be assessed with this in mind.

2.3 Safeguarding of Children

2.3.1 Rushcliffe School takes the safeguarding of children and vulnerable persons seriously.

2.3.2 Where a third party hires the school premises outside school hours, the responsibility for ensuring that safeguarding measures are in place rests with the third party provider in full and not with the school. School safeguarding procedures are not applicable when hired out to a 3rd Party. The Hiree must have their own provision.

2.3.3 It is the responsibility of any Hiree, as the employer, to carry out DBS and other checks on its staff or volunteers and ensure that such checks are available if required by the relevant authority under English Law.

2.4 Prevent Duty

2.4.1 Schools and Academies are expected to pay due regard to the Prevent Duty 2015. Rushcliffe School shall not hire school premises or facilities to groups that have extreme ideologies that are in direct contravention to the Prevent Duty 2015.

2.4.2 If the school becomes aware of a Prevent concern regarding a group or individual using their premises and facilities when hired or applying to do so (meaning outside of school/academy time and in their time and so not relying on the local school/academy Prevent Duty policy and procedures), they should report their concerns through 101, through Children's Social Care or Adult Services or through any other official reporting routes available to them.

2.5 Reputation

2.5.1 Rushcliffe School values its sound reputation as

- a provider of outstanding education,
- a fair and honest organisation that operates honourably and within the law,
- a community asset,
- a good neighbour to those who live or work near to the school.

2.5.2 At the discretion of the Principal, the school may either decline to accept or may terminate lettings that might or do cause damage to this reputation. This may include, but is not limited to, events or activities that:

- are in any way illegal,
- would cause a breach of prevailing planning conditions,
- cause excessive noise or disturbance beyond the school site,
- cause parking or traffic problems on or beyond the school site,
- would be contrary to the school stance on equality and diversity,
- involve inappropriate or offensive behaviour,
- cause litter to be dropped on or off site,
- cause damage to the school premises or land,
- overrun their booked time slots,
- misrepresent the activities to be undertaken when booked,
- would impair the delivery of existing contracts including but not limited to cleaning, catering, grounds maintenance,
- would otherwise compromise the efficient delivery of the school core business of the delivery of education.

2.6 Financial Responsibility

2.6.3 School budgets are provided for the education of pupils and cannot be used to subsidise lettings by community or commercial hirees.

2.6.2 Charges shall be levied to meet as a minimum the additional costs incurred by schools in respect of lettings of the premises.

2.6.3 In the case of lettings managed on behalf of the school by Specialist Lettings Contractors, the Lettings Management Contract shall guarantee to the school a percentage of revenue, protected by a minimum income guarantee.

No future lettings would be permitted to the Hiree.

4.3.4 For the avoidance of doubt the booking period shall include the time required to return the facility to the condition it was in prior to the booking so as not to delay access to the next booking or delay in returning the facility to full school use.

See <https://www.gov.uk/late-commercial-payments-interest-debt-recovery/charging-interest-commercial-debt> for further information.

4.3.11 The Finance Team shall confirm to Supervising Officer that the hire invoice has been paid. The Supervising Officer shall confirm to the Hiree that the letting may proceed and shall issue to the Hiree a signed copy of the Letting Agreement form (Appendix 1).

4.5.2 Vehicles are parked on the site entirely at the owners' risk. The school cannot accept any responsibility or liability for any loss or damage arising from the use of car parks.

4.5.2 The Hiree shall ensure safe and appropriate stewarding of the car park if the event or activity is expected to attract a significant number of vehicles to the site.

4.5.3 Vehicles shall not be parked so as to cause an obstruction to or exit from the school premises. Access to the school by emergency services vehicles must not be obstructed or delayed.

4.5.4 No vehicle shall be parked on or taken over the grass, sports facilities or borders.

4.5.5 Disabled parking bays are to be used only by vehicles displaying current authorised Blue Badge permits.

4.5.6 The Hiree shall communicate in advance with their visitors and guests to encourage visitors to arrive at the site by sustainable means that reduce the demand for parking spaces. Such means include by foot, by bicycle, by public transport, and by car-sharing.

4.6.3 The Hiree shall be responsible for paying any call out attendance charge arising from an unauthorised intruder alarm activation when an out of bounds alarmed area is entered in the course of a Letting.

4.6.4 The Hiree will conduct the event and activities it undertakes in a lawful and orderly manner and with due regard to the Spencer Academies Trust Equality and Diversity Policy.

4.6.5 The Hiree must not do or permit any act matter or thing which would or might constitute an illegal or immoral activity affecting the school premises or reputation of the school or Spencer Academies Trust or which would or might vitiate in whole or part any insurance affected in respect of the premises from time to time.

4.6.6 The Hiree will ensure that the event or activities shall cause no annoyance or disturbance to the schools neighbours or to members of the public.

4.6.7 Animals shall not be permitted on the school premises with the exception of trained guide dogs for the visually impaired and trained listening dogs for the hearing impaired.

4.6.8 The Hiree shall ensure appropriate supervision and stewards for the event and activities to maintain order and good conduct. Where applicable the Hiree must ensure an appropriate adult to children ratio when these are specified for particular activities, for example where such ratios are specified by national governing bodies for sports, scouts etc.

4.6.9 The Hiree shall not remove or otherwise interfere with the furniture, fixtures or fittings of the school. No material whatsoever is to be fastened by any means to the walls, ceilings, floors or fixtures and furnishings without the permission of the Supervising Officer.

4.6.10 In particular, no tapes, adhesives, or fixings of any kind are to be applied to wooden parquet floors.

4.6.11 The Hiree shall ensure that no stiletto heeled shoes or any other kind of shoe capable of damaging floors shall be worn. Outdoor footwear must not be worn on such surfaces. If the event involves walking in outdoor shoes in areas with specialist sports floors then the Hiree shall at their own expense arrange for

suitable non-scratch floor protection boarding to be provided and removed at the end of the event.

4.6.13 If activities involve outdoor use the Hiree shall ensure that footwear is cleaned before re-entering the building.

4.6.14 If during the course of the event or activity the Hiree causes the fire alarm system to activate (for example but not limited to, the use of theatrical smoke, tampering, damage, misuse of fire alarm call points) the Hiree shall pay any subsequent call out and reinstatement charge imposed by the Fire and Rescue Service and fire alarm system engineer.

4.6.15 The Hiree will ensure that the school facilities and premises are left in a clean tidy and safe condition with all equipment returned to the correct place of storage after any period of use and at the termination of the agreement.

4.6.15.1 The Hiree shall as soon as is reasonably practical report any and all damage that occurs to the school premises facilities contents and equipment during or as a result of the hire period to the school staff in attendance and to the Supervising Officer.

4.6.15.2 The Hiree shall employ their best endeavours to make safe any damage under 4.6.15.1 to prevent injury or other safety risk. This may for example involve preventing access to the damaged item by the provision of a suitable barrier, or by vacating the facility.

4.6.15.3 The Hiree shall not attempt to undertake a repair unless there is a clear and evident further risk to safety and the hiree is demonstrably competent so to do.

4.6.15.4 The Hiree shall be responsible to the School for all repair costs, invalidated warranties and the like, arising from unauthorised attempts to undertake repairs.

4.6.16 The Hiree will ensure that the school facilities are vacated promptly at the end of any period of use and on termination of the Lettings Agreement. The school reserves the right to charge a fee to take account of any delay to the end of a booking.

4.6.17 The Hirees goods equipment and property shall be completely removed from the premises at the end of the Letting except where the Supervising Officer has agreed in advance that goods or equipment brought to the school for a particular event may be safely stored overnight at the Hirees risk for collection the following day. The school reserves the right to charge a storage fee if the Hiree fails to collect such items by the agreed deadline.

4.6.18 The school cannot accept responsibility for loss or theft or damage to the Hirees or the Hirees guests or clients' property and effects. It is the responsibility of the Hiree to make suitable insurance requirements for such cover.

4.6.19 In the event of any damage to the grounds facilities property or equipment of the school however caused arising from or in any way connected with the Hirees use of the same, the school will arrange to make good the damage and the Hirer shall pay the cost of such reparation.

4.7 Safeguarding

The borrowing of music scores or play scripts from a local library does not constitute permission to perform.

4.8.3 Hirees are reminded that it is illegal to photocopy sheet music or scripts without the express permission of the copyright holder except in certain circumstances. Infringement may render the Hiree liable to civil claim from the copyright holder.

4.8.4 Hirees are reminded they could be sued for damages if hirees show a film [under copyright](#) in public without being licensed. This includes DVD, Blu-Ray and video and digital formats.
